SERVICWEB - WHERE ARE WE?

General driving directions

If you're coming from the direction of London, exit at the Whitstable junction and then follow the road signs to Chestfield. From Margate, take the Herne Bay exit off the A299 and then follow the road signs to Chestfield.

Finally, if you're travelling to us from Canterbury, you can either follow road signs to Whitstable and then Chestfield, or take St. Stephen's Road out of Canterbury, past the University on your left, through Tyler Hill and then onto Chestfield.

At the Chestfield roundabout on the A2990 (Old Thanet Way) follow signs to Swalecliffe and Tankerton, proceeding under the railway bridge. Once under the bridge, turn right at the mini roundabout into St. John's Road. Continue on this road until you see St. Augustines Business Park on your right. Turn into Estuary Way and Serviceweb is the first office on your right.

From Herne Bay, follow the B2205 (Sea Street) towards Whitstable and then turn left into St. Augustines Business Park.

By train

The nearest railway station to Serviceweb is Chestfield & Swalecliffe. Walk along St. John's Rd towards Herne Bay. Our offices are a 10 min walk from the Station.

By bus

The number 4,4a,4b or 6,6a,6b stops in St. John's Rd and our offices are a 5 min walk from the nearest bus stop.
